

RE: CMHC's Healthy Housing Recognition

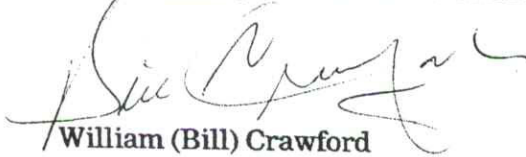

Thursday, 19 January, 2006

Lagois Drafting & Construction Inc
5921 Prince of Wales,
North Gower,
Ontario, K0A 2T0

Dear Mr. Lagois;

Congratulations Herb, well done, I have heard some impressive comments from our cooriginator who reviewed your work, the plan you sent is very impressive as well . Your company is the only renovation business recorded with CMHC that have the ability to incorporate measures for clients experiencing Environmen tally Hypersensitive Sensitivity.

Again, thank you on behalf of CMHC and our research staff.

William (Bill) Crawford
